Subject: Hot Issue: Call with Uinta Basin County Commissioners and Other Local Officials Re: Potential U&O FIP

Late Hot Issue:

Call Scheduled for October 21, 2015, with Uinta Basin County Commissioners and Other Local Officials to Discuss EPA's Consideration of Rulemaking to Address Existing Oil and Gas Sources on the U&O Reservation:

A call for October 21, 2015 at 10am has been scheduled with Uinta Basin County Commissioners and other local officials. On the call EPA plans to discuss current, proposed, and potential Clean Air Act regulation of existing oil and gas production sources. This call will provide the same information provided to industry, FLMs, and environmental groups during previous Uinta Basin stakeholder meetings. It is anticipated that Uinta County Commissioners and their staff will participate. In addition, officials from Duchesne County and other local officials may call in. Utah DEQ management representatives plan to participate.
